How to Play

To win, collect 6 cards of the same color.

- Shuffle the deck and deal 6 cards to each player. Place the remaining cards in a shared pile.
- Simultaneously, pass one card to the left.
- If a card returns to you, show it, discard it, and draw a new one.
- When you have 6 cards of one color, discreetly place your finger on the table. The last player to do so gets a letter: **O-I-N-K**. The first to spell "**OINK**", is the loser pig!

Alternate Rules

* Divide the deck evenly among 4 players (1 color each). Trade until one player gets 4 of the same value.
* Create a unique sign for each color (e.g., touch your nose). Copy the first player to signal.
* Add jokers as wildcards and invent your own rules!
